ACKNOWLEDGMENTS

This proceedings contains papers from the twelfth conference in Semantics and Linguistic Theory, March 8-10, 2002, at the University of California, San Diego and San Diego State University. We thank the conference organizers and the reviewers who rated and commented on the many abstracts submitted to the conference. Thanks especially to the authors, whose patient assistance has made the editorial task a pleasure.

Finally, thanks to Eric Evans for technical support and CLC publications, Sheila Haddad, Angie Tinti and the Field of Linguistics at Cornell University for making the publication possible.
