

Teaching History of Linguistics in the 21st Century – Bibliography

[Note: This bibliography is NOT intended as a comprehensive bibliography on the history of linguistics, but is only an aggregation of the sources noted in the papers and syllabi contained in this *PLSA Special Issue* – designed to save readers the trouble of having to peruse multiple files to find out what references are contained in all of them.]

- Abd-El-Khalick, Fouad & Norman G. Lederman. 2000. Improving science teachers' conceptions of nature of science: A critical review of the literature. *International Journal of Science Education* 22(7). 665–670.
